Education

MA History • City College of New York • 2014

MLIS • Queens College of the City University of New York • 2010

Thesis: “Metadata Cataloging, Storage, and Retrieval of Multilingual Motion Picture Subtitles: An XML Digital Library”

BA Liberal Arts: Philosophy • Macaulay Honors College at CCNY • 2008

BA Capstone: “Software and the Philosophic Foundation of Intellectual Property Rights”

Professional Experience

1/2016 - Present

Institutional Repository, OER & Reference Librarian • UMSL

Librarian III

Organizing, advocating, and maintaining the University of Missouri-St. Louis Institutional Repository Library. Create and implement policies and workflows, while performing daily management and oversight of all repository operations. Acting as a liaison to the campus community educated faculty about open access, data management, Open Educational Resources (OER), and scholarly communication and publication issues. Responsible for collection and personal librarian for the subject areas of philosophy, sociology and gender studies. Aid researchers in one-on-one reference consultations and teach information literacy and OER informational classes, as needed.

1/2021 - 5/2021 Spring Semester & 8/2021 - 12/2021 Fall Semester

Adjunct Instructor • University of Missouri - School of Information Science & Learning Technologies

Course: Organization of Information 7302

Adjunct instructor at the iSchool for an online graduate course using an OER textbook. Used Canvas for the course, Zoom for synchronous meetings and panopto to create and edit weekly introduction videos. Evaluated student performance and provided feedback in a timely fashion. Provided consultation for students when needed.

2/2010 - 1/2016

Government Documents & eSerials • City College of New York

Assistant Professor, Tenure Track Librarian

As Chief of the Government Documents Division was responsible for the documents depository collection, including federal, state and international documents. Supervised and trained part-time staff to copy-catalog, process and check-in documents. Troubleshoot problem catalog records. Revised and updated collection development policy. As e-Serials librarian maintained the serials database and the electronic journals lists. Maintain the library's database list (Libguides), A-Z list (Serials Solutions) and article-linker service (SFX). Analyzed and collected electronic resource usage statistics. Provided one-on-one reference consultations. Taught information literacy classes as part of the Library Instruction Team.

8/2008 - 2/2010

Collection Cataloger • Lee Strasberg Theatre & Film Institute

Performed original and copy cataloging of monographs written in Russian, Greek, English, German, French, and Spanish.

8/2009

Researcher • City Tech (New York City College of Technology)

Worked for the Dean's Office of Technology and Design as the citation manager of a NSF grant. Selected and installed the Zotero citation tool for multiple people and used it to coordinate and maintain a database of over 120 citations. The final version of the virtual reality instrumentation grant contained 103 citations.
